

Fairy House Flowerpot

A home for the fairies in your garden

Here's what you'll need!

- Small flowerpot
- Acrylic paint
- Gloss varnish (optional – makes it look shiny)
- Paint brushes

Instructions:

1. Wash your flowerpot with water and let it dry.
2. Turn your flowerpot upside down and start to paint your fairy house.
3. Let the paint dry and then cover with gloss varnish.
4. Once your fairy house is dry, place it outside and wait for the fairies to come!
